ENTRY FORM QUESTIONS

After you've filled in all your contact details, here's the questions you'll be asked to fill in about your project. We recommend writing the answers out and then cutting and pasting them into the online form just in case.

You can save your entry and come back to it at any time. However, once you hit 'SUBMIT' you cannot change it.

You will also be asked to upload any images you have too, you can also use that option to upload video too, but our file limit size is 50Mb.

1. What year was your business started?
2. What is your approximate turnover? (for judges eyes only)
3. How many full-time staff do you employ?
4. How many part-time staff do you employ?
5. Detail how your business has reacted to the changing market conditions. How have you adapted? What lessons have you learnt?
6. Briefly describe specific features that set your business apart from competitors...
7. Briefly describe the best new initiative you have done in the past 12 months...
8. What plans do you have for the next 12-18 months?
