ENTRY FORM QUESTIONS

After you've filled in all your contact details, here's the questions you'll be asked to fill in about your project. We recommend writing the answers out and then cutting and pasting them into the online form just in case.

You can save your entry and come back to it at any time. However, once you hit 'SUBMIT' you cannot change it.

You will also be asked to upload any images you have too, you can also use that option to upload video too, but our file limit size is 50Mb.

1. What year was your business started?
2. How big is your showroom?
3. How many displays are there in your showroom?
4. Describe your showroom.
