# What are the kbbreview Retail & Design Awards?

The kbbreview Retail & Design Awards are simply the Oscars of the kitchen and bathroom retail industry in the UK. It's the event everyone wants to attend, and they're the trophies everyone wants to win.

Each year we gather hundreds of the biggest names in the sector together at a huge black-tie celebration that is, we're very proud to say, the largest and longest-running awards event in the industry.

Spectacular entertainment, iconic venue, celebrity hosts, amazing food and an astonishing after-party combine to make it the premium networking and social occasion of the year - **and you could be there.**

The kbbreview Retail & Design Awards event is the perfect way for brands and suppliers to publicly demonstrate support and appreciation for independent KBB retailers and designers.

Our core purpose is to highlight and reward the true masters of those disciplines and they are at the heart of it all.

Booking your tickets guarantees your brand can be seen and heard at the highest level and positions it at the centre of the industry dialogue.

As a result, it's also the perfect place to entertain your key clients. Having a full table of ten offers the perfect setting to host your best customers in an environment designed to celebrate all that's positive about the sector.

So don't miss the chance to engage with key contacts who might be there talking to your rivals!

The kbbreview Retail & Design Awards is the biggest industry event of 2025 - guarantee your places by booking you tickets now at [kbbreview.com/awards](http://kbbreview.com/awards).

The building is a large, multi-story structure with a red brick facade and many windows. The sky is blue with some white clouds. # Blackpool

We are very proud to reveal that the kbbreview Retail & Design Awards 2025 will be held in one of the most famous landmarks in the UK - the Tower Ballroom in Blackpool.

This Grade One listed icon is dripping in ornate Victorian splendour and will make an incredible backdrop to a fab-u-lous night...

We always choose our venues very carefully. In the even years we hold the awards alongside the industry's biggest trade show – kbb Birmingham – but in the odd years we choose a different city to reflect the national nature of the industry.

This plan began in 2019 with Manchester, followed by 2021 in Liverpool and Cardiff in 2023. Now Blackpool is our destination, and you could be there!
